

Saturday 24th March

The traditional End-of-Term Olympics. We will watch a slideshow of this term's events. Younger brothers aged 8 and above are welcome today.

Tuesday Study Club Year 9-13, Tues 4.30-6.45pm

The Tuesday Study Club is an ideal chance for boys to get down to their homework in a supervised study period in the Kelston library. There are also classes of catechism and spiritual formation.

Kelston Wednesdays Year 7, Weds 4.30-6.45pm

There is an additional programme for those in Year 7 on Wednesdays. It aims to help the boys to improve their ability to study well on their own as well as enjoy constructive activities. It allows those who cannot regularly attend the Juniors on Saturday mornings to have their own programme of activities on another day.

The monthly recollection will take place on Friday evenings for the older boys, followed by a simple buffet meal costing £3.

PROGRAMME

Spring 2018

Seniors

Years 8 to 10, Sat 1.45-6.15pm

Saturday 13th January

Pizza Building Challenge. Everyone knows how to make a pizza... or do they? Come and experiment crafting the ultimate pizza.

Saturday 20th January

A special guest speaker will unravel the mysteries behind the ongoing Star Wars trilogy.

Sunday 27th January

Come ready for the ultimate quiz of the senses. Test your senses of taste, smell, hearing and sight!

Saturday 3rd February

Build-a-Tower-in-an-Hour Competition. Your team will be given limited materials to make the tallest and strongest tower.

Saturday 10th February

Feature film. Sit back and enjoy a blockbuster on the big screen.

Saturday 17th February

Come and enjoy a walk around China Town to celebrate the Chinese New Year. Leave Kelston at 2:15pm and return to the club at 6:30pm. Bring your Oyster card.

Saturday 24th February

Build your circuit for a Bottle Lid Competition. Try to design the most difficult course that you can. But watch out - you will have to race on it too to win!

Saturday 3rd March

The Seniors Five-a-Side Football Competition in the common. Form your own team and bring along your kit and the £2 entry fee. Friends are welcome to take part.

Saturday 10th March

Study Session in preparation for the final term exams. Bring study and books for the study period. There will be a special get-together today.

Saturday 17th March

Chess Challenge. Battle your way up the ranks, as you endeavour to become the Chess Champion of the Kelston Seniors.

Saturday 24th March

Call My Bluff: the timeless team game of trickery and cunning. Things to bring: a sense of humour and quick thinking!

Juniors Years 5 to 7, Sat 9.45am-12.30pm

Saturday 13th January

Sausage Roll Making Competition. Who can make the best roll? Bring £3 to pay for the ingredients.

Saturday 20th January

Back by popular demand, we will make a trip to the Science Museum. Bring lunch & travel money/Oyster card. Leave at 10am, back in Kelston at 3.30pm. Dads welcome to come on this trip.

Sunday 27th January

Make a Remote Control Car Race Track. Then we will see who is the quickest on it!

Saturday 3rd February

Feature Film. Today we will watch a recently released family blockbuster.

Saturday 10th February

Activity Project Part 1. This morning we have the first Activity Project session. Plan out your project.

Saturday 17th February

Kelston Guinness Book of Records. Get yourself into the legendary Kelston Book of records page!

Saturday 24th February

Activity Project Part 2. Start developing your project this week.

Saturday 3rd March

Activity Project Part 3. Last activity project session of the term. Project presentations at the end of the morning.

Saturday 10th March

The Annual NBC 5-a-side Football Tournament. Get a team of friends together to enter the competition. Entry forms with full details will be available from early February.

Saturday 17th March

Battle of wits, it's the Kelston multimedia quiz!
