

# SUMMER CAMP '18

MONDAY 28 MAY - FRIDAY 1 JUNE

Lea Green Learning and Development Centre in Derbyshire is one of the country's leading outdoor education and adventure centres. Located in the heart of the Derbyshire countryside with a range of accessible and challenging outdoor activities, Lea Green is the perfect place for team building, personal development and outdoor learning. We will be staying in the beautiful 18th Century manor house with full catering facilities. Each dormitory (typically for 4 - 6 boys) has ensuite toilet and showers. We will be making good use of the centre's 25 acres of forest and open areas as well as an AstroTurf sports pitch, basketball court and indoor sports hall. Activities will be many and varied including: sports, forest games, expeditions, outdoor survival skills and activity workshops.

## WHO?

There will be two camps running alongside each other; one for boys in school Years 5-7, the other for boys in school Years 8-10. The two camps will be run jointly by Kelston, Westpark and Greycarth clubs along with staff at the Lea Green centre. The camp has full insurance cover against accidents or injuries.

## DATES

We will depart on the morning of Monday 28th May and return on the evening of Friday 1st June. Transport will be organised from the respective clubs; further details will be sent to parents closer to the camp date.

## WHERE?

Lea Green Development Centre

Main Road, Lea, Near Matlock,  
Derbyshire, DE4 5GJ

01629 534561
